

CV	Scientific degree:	Year
	Habilitation in Physics, University of Heidelberg, Germany	2010
	Dr. rer. nat. in Geosciences, University of Bremen, Germany	2003
	Diploma in Geophysics, University of Karlsruhe (TH), Germany	1999
	Current position:	
	Professor of Glaciology, University of Bremen	Since 2014
	Previous positions:	
	Adjunct Professor of Faculty of Physics & Astronomy, University of Heidelberg	2013
	Privatdozent of Faculty of Physics & Astronomy, University of Heidelberg	2010-2012
	Head of Emmy Noether group LIMPICS, AWI & University of Heidelberg	2008-2013
	PostDoc, AWI	
	Research Scholar, VAW, ETH Zürich	2007
PostDoc, AWI	2005-2006 2003-2004	
Academic honors & services:		
President, Cryosphere Division, European Geosciences Union (2017-2019); Deputy President, Cryosphere Division, European Geosciences Union (2013-2017); Co-Editor in Chief, The Cryosphere (since 2017); National Representative IUGG-IACS (Intl. Association for Cryospheric Sciences) and member of National Committee for Geodesy and Geophysics (since 2014); National correspondent for Germany, Intl. Glaciological Society (since 2013); Member of Scientific Committee of "Radioglaciology and its applications" symposium, International Glaciological Society, Madrid, Spain (2008); Editor Earth System Science Data (2009-2016); Editor Annals of Glaciology (volumes 41, 51, 64, 67)
